FOR SMÅ INSTRUMENTALISTER
AF
ANNE FONTENAY

Denne påskeleg for små instrumentalister, handler om at kunne identificere forskellige rytmer, sammenligne rytmer og skrive dem rytmerne ned på et opgaveark. Når man har samlet alle fire rytmer, skal man øve sig på rytmerne og kunne spille dem.

Kopier et opgaveark pr. gruppe. Kopier rytmerne, så der er rytmer nok til, at alle grupperne kan samle de fire rytmer der står på deres opgaveark.

Klip rytmerne ud og læg dem i et pap-påskeæg.

Påskeæggene gemmes i lokalet og eleverne skal nu finde de fire ud af seks rytmer, der passer til deres ark.

De skal skrive de rytmer der passer til deres ark, i firkanten under hvor rytmen står.

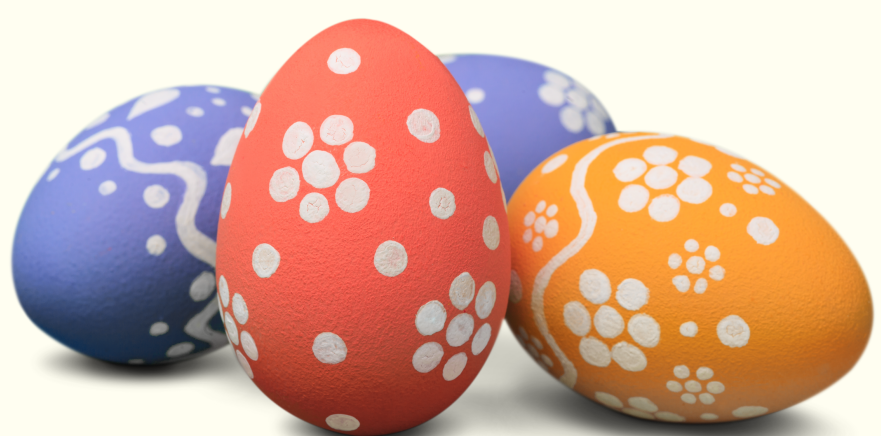

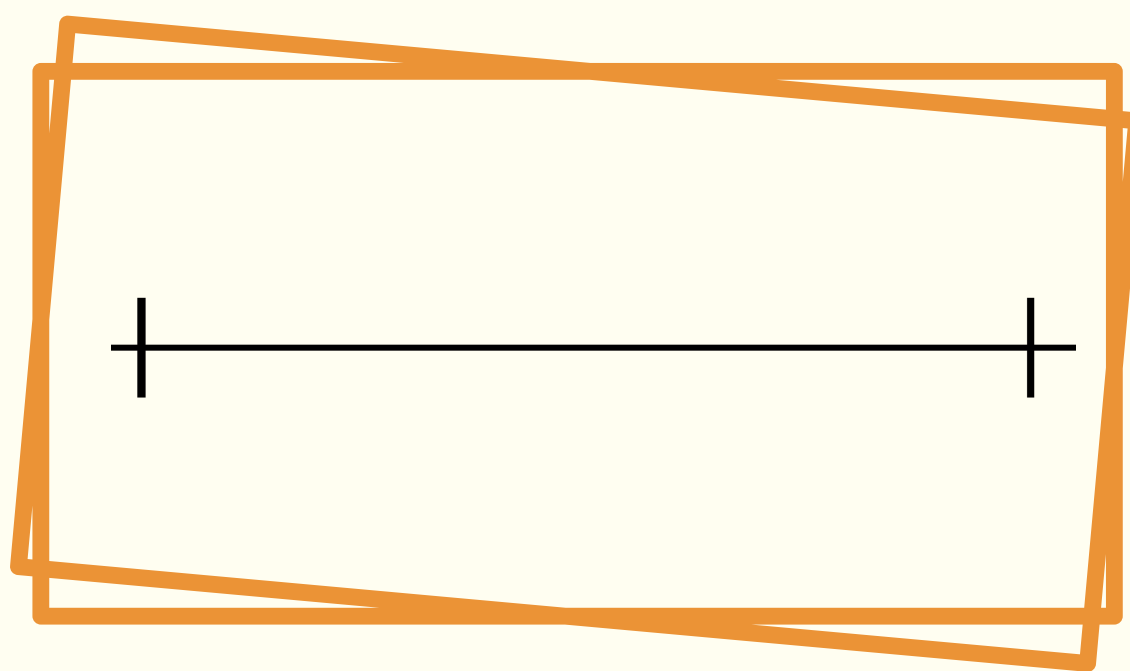

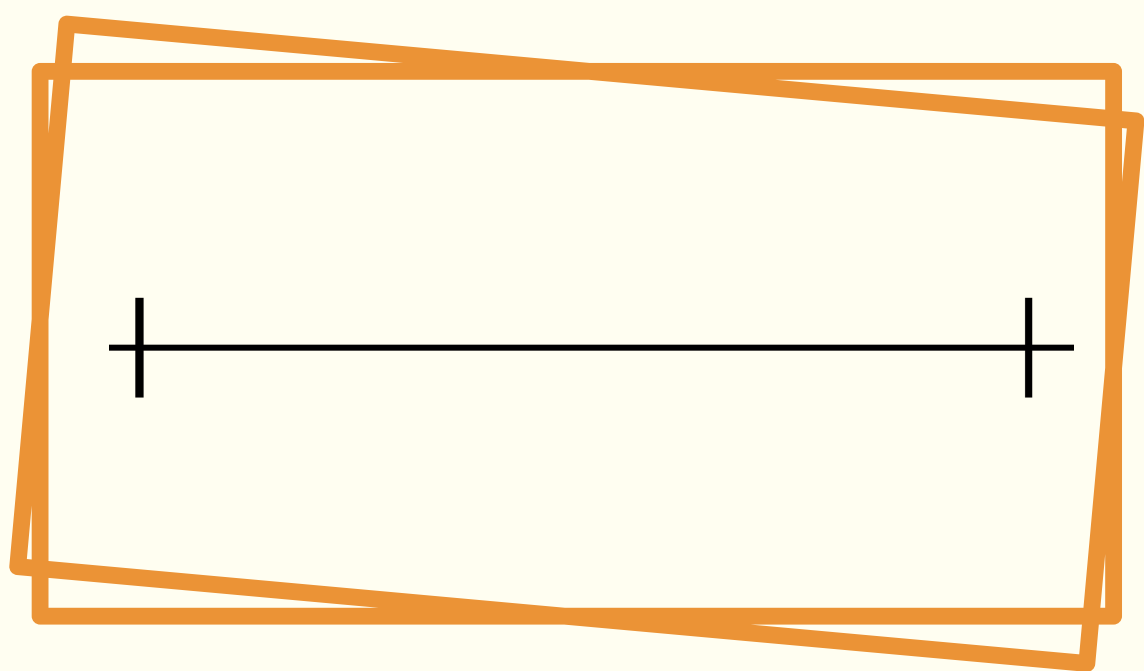

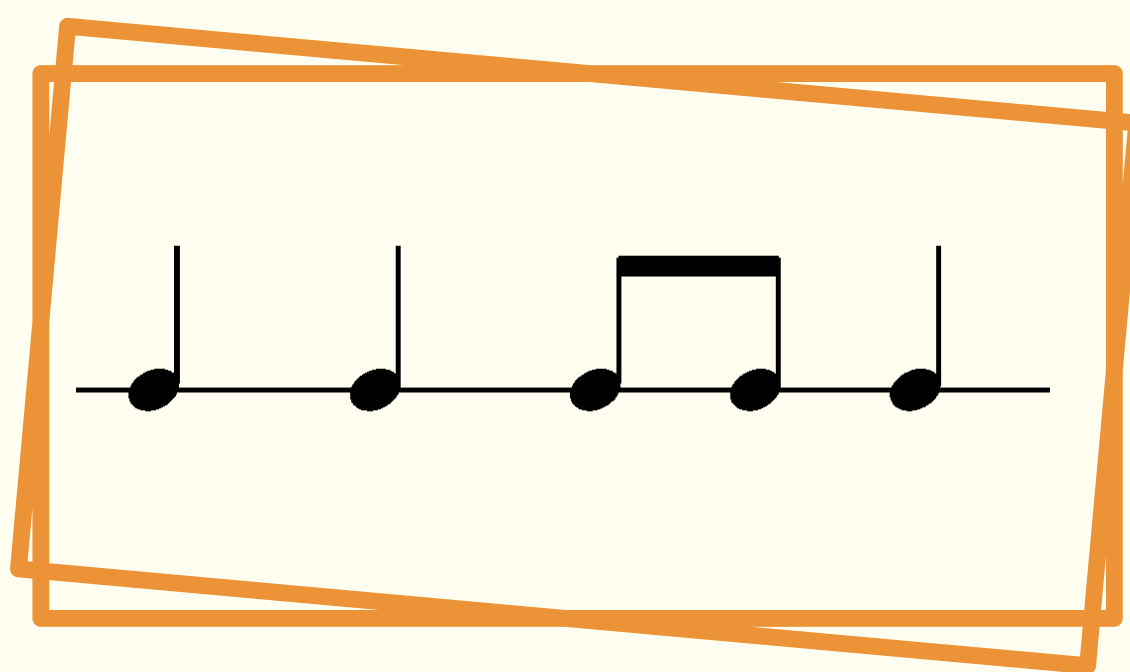

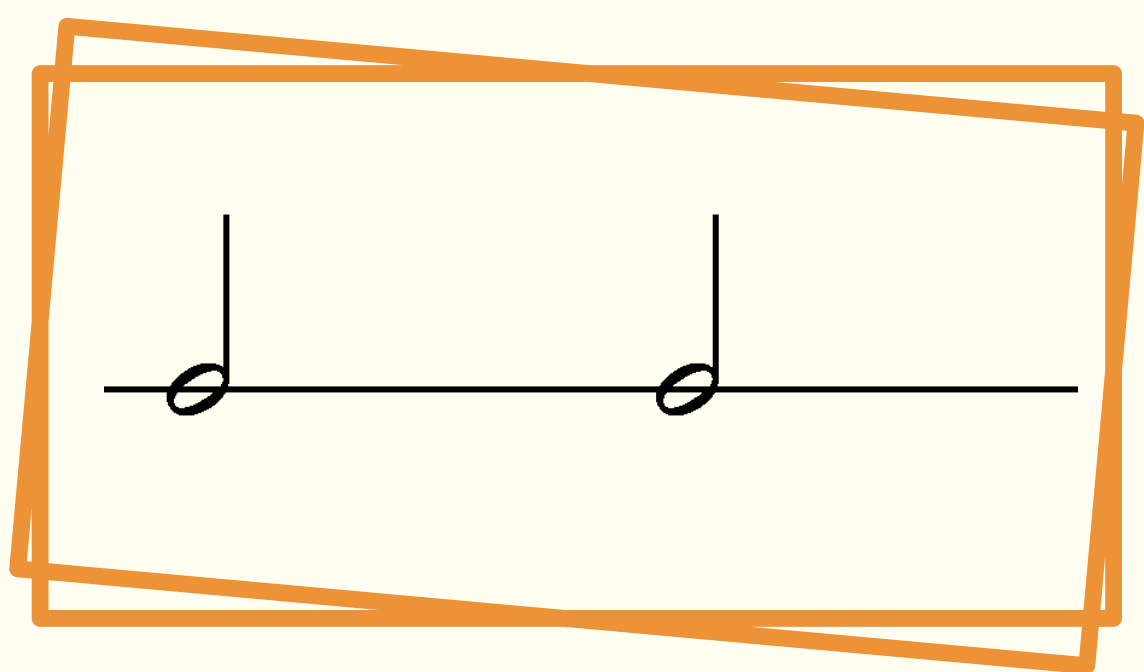

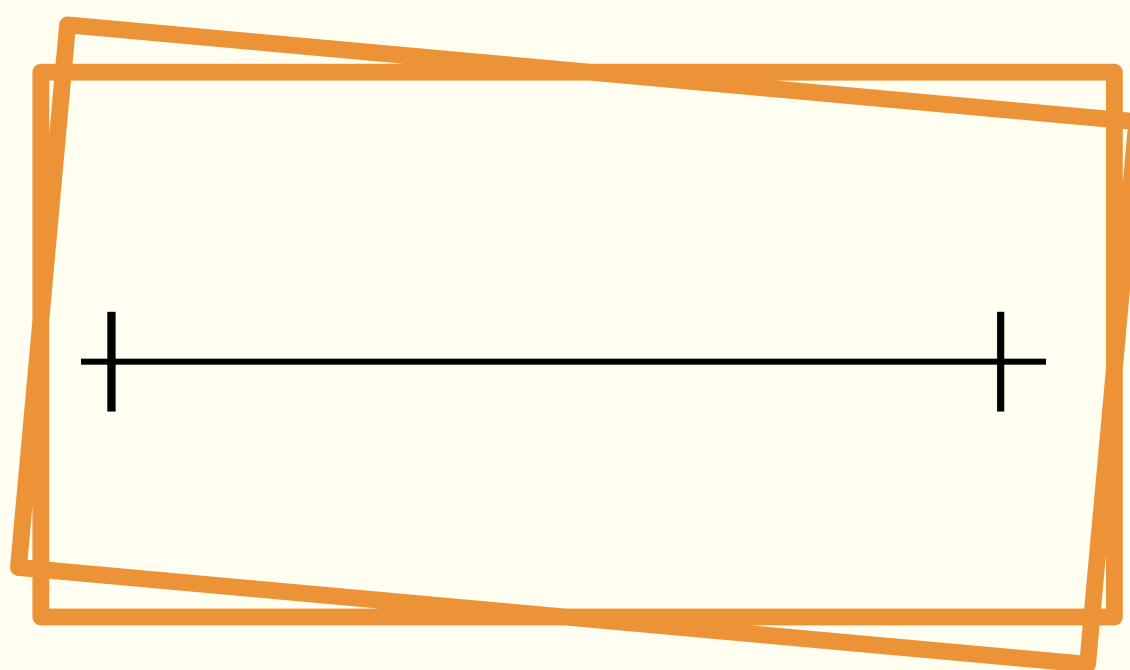

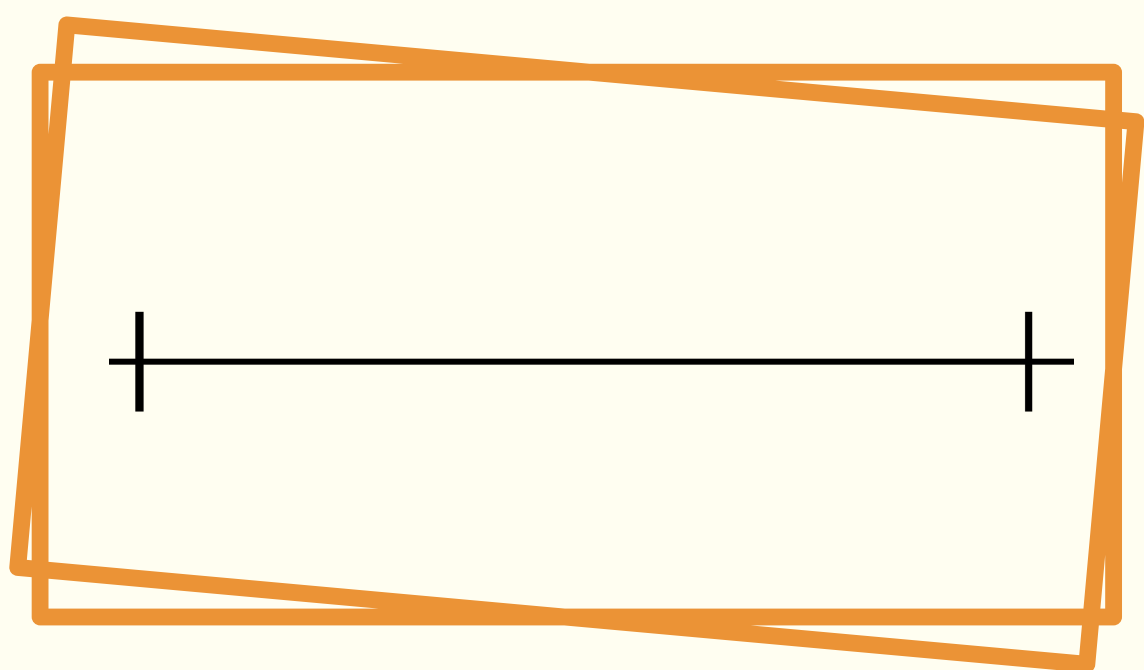

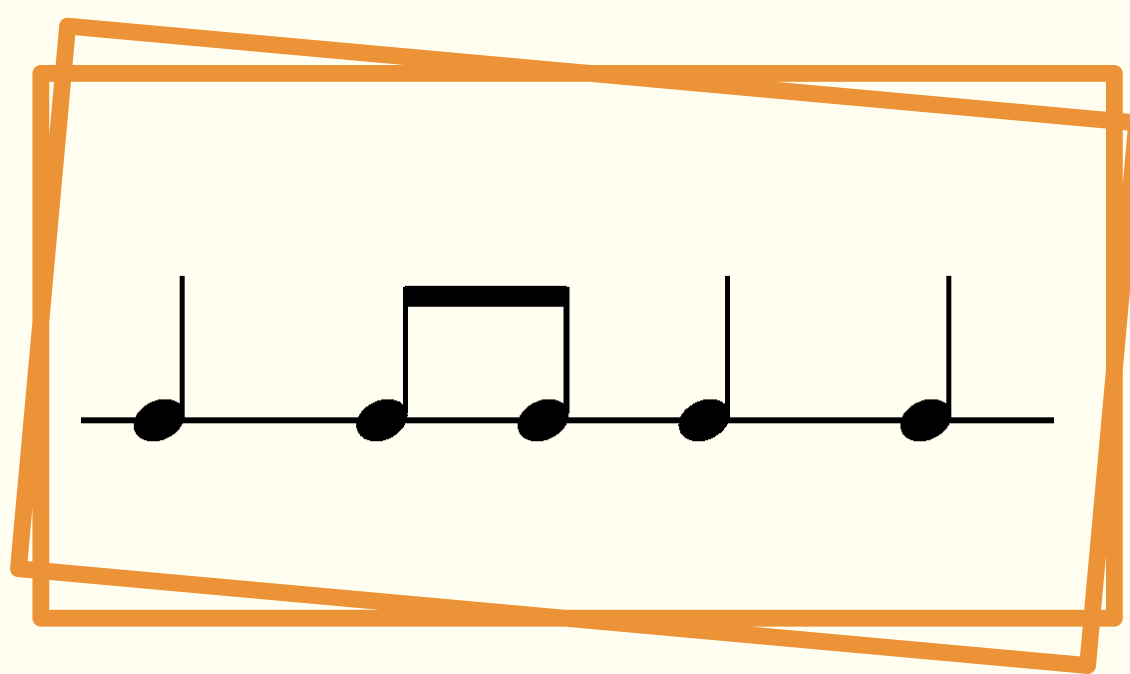

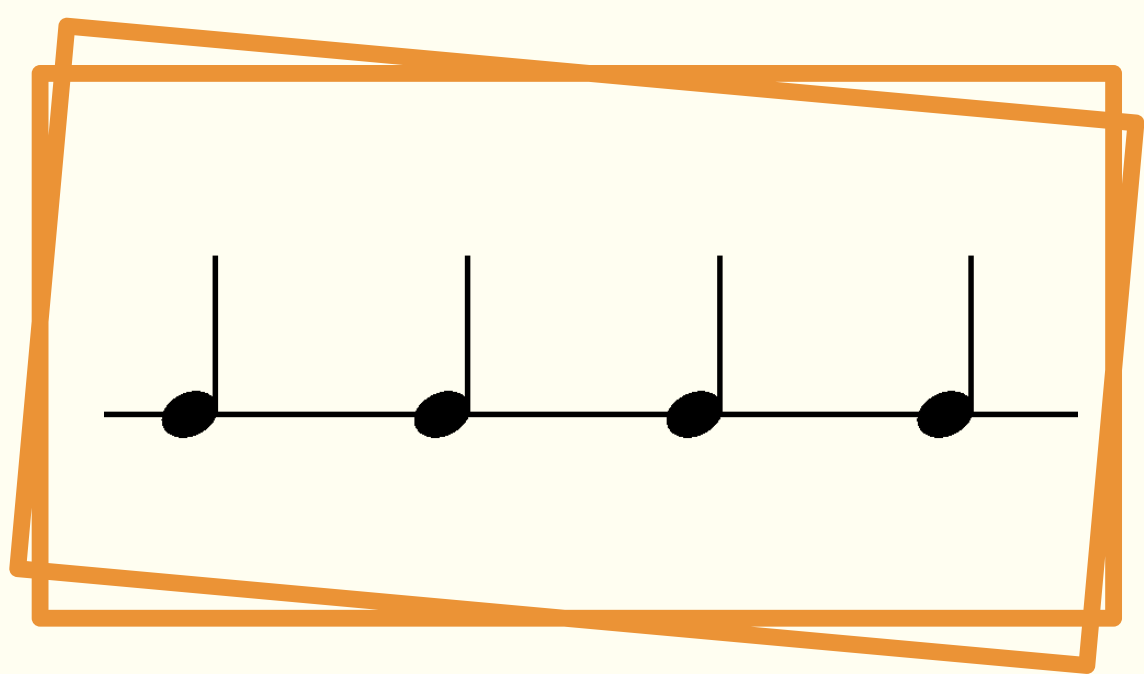

Når de har samlet alle deres fire rytmer, skal de øve sig på rytmen og spille den enten på et rytmeinstrument eller på deres hovedinstrument. Spiller de på deres hovedinstrument, kan de selv vælge hvilken tone de vil spille rytmen på.

Rigtig god fornøjelse!

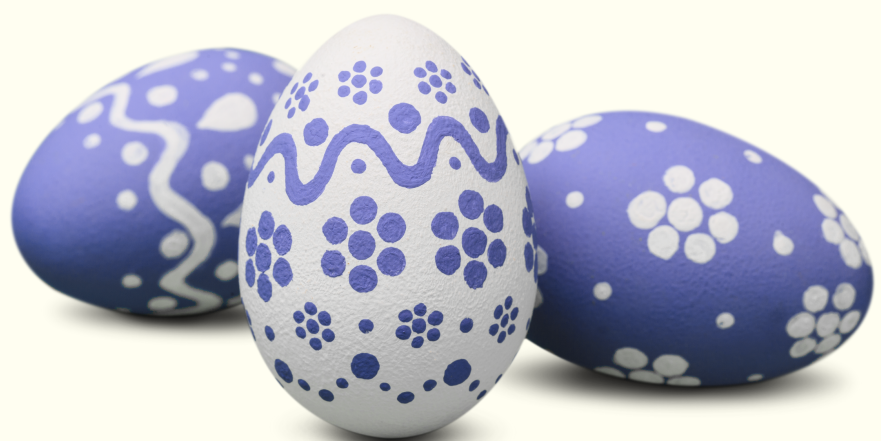

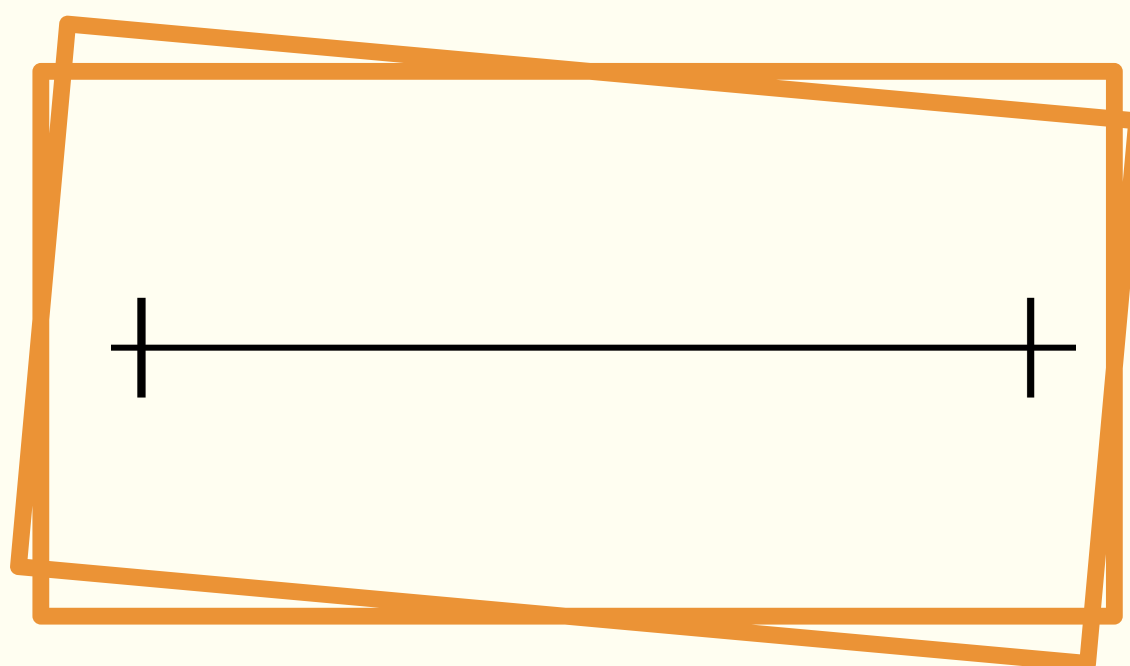

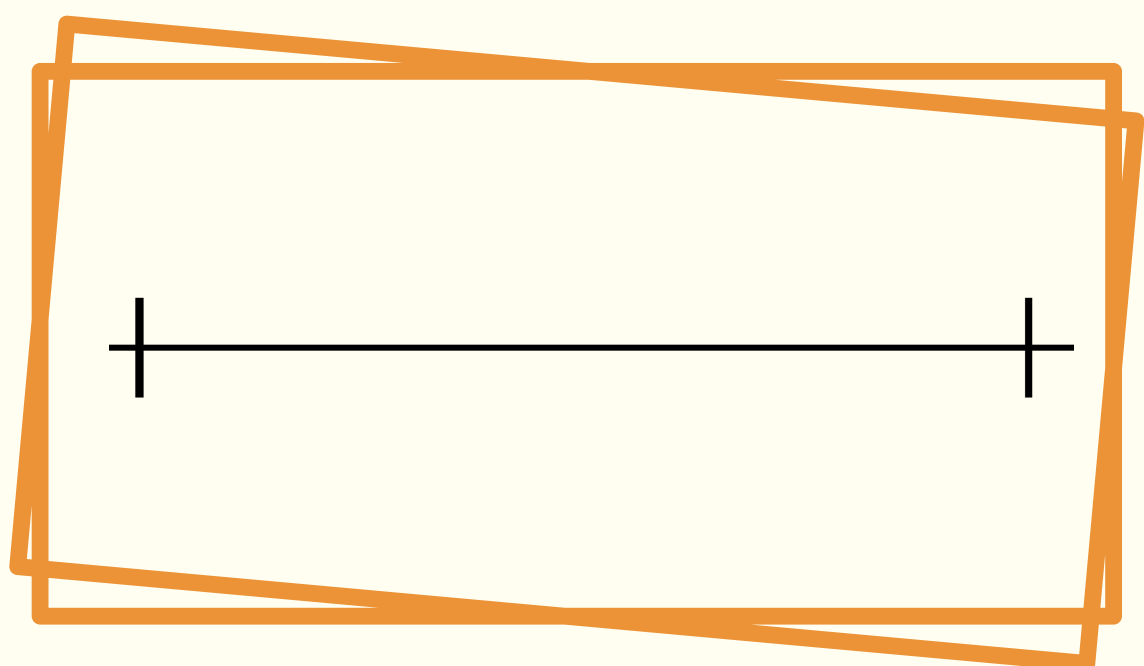

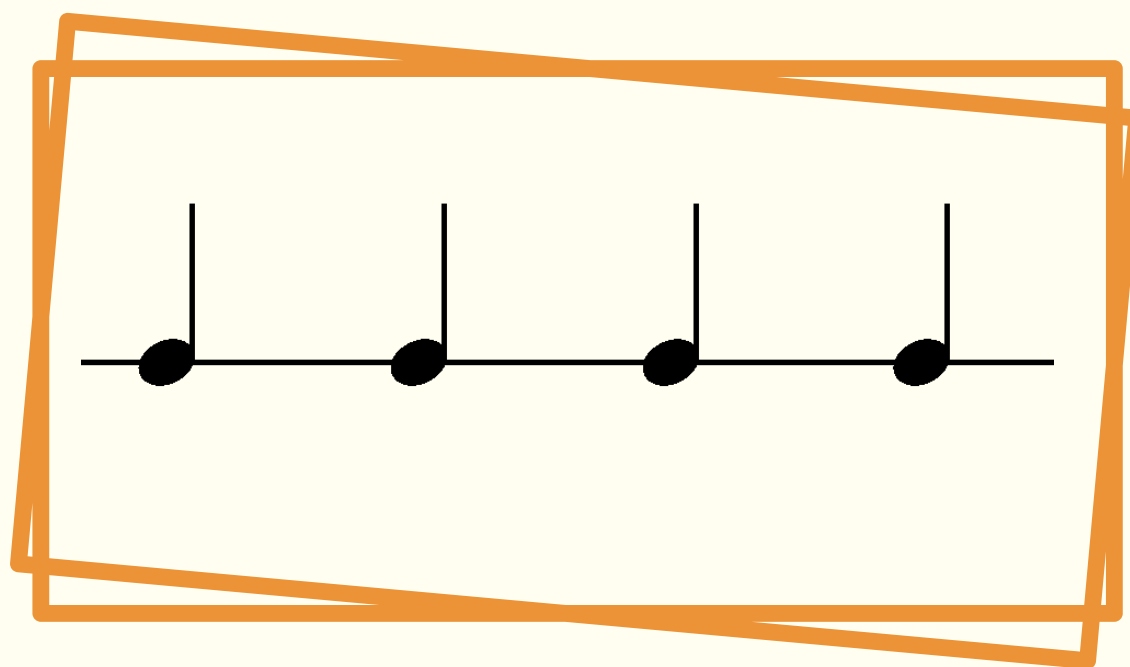

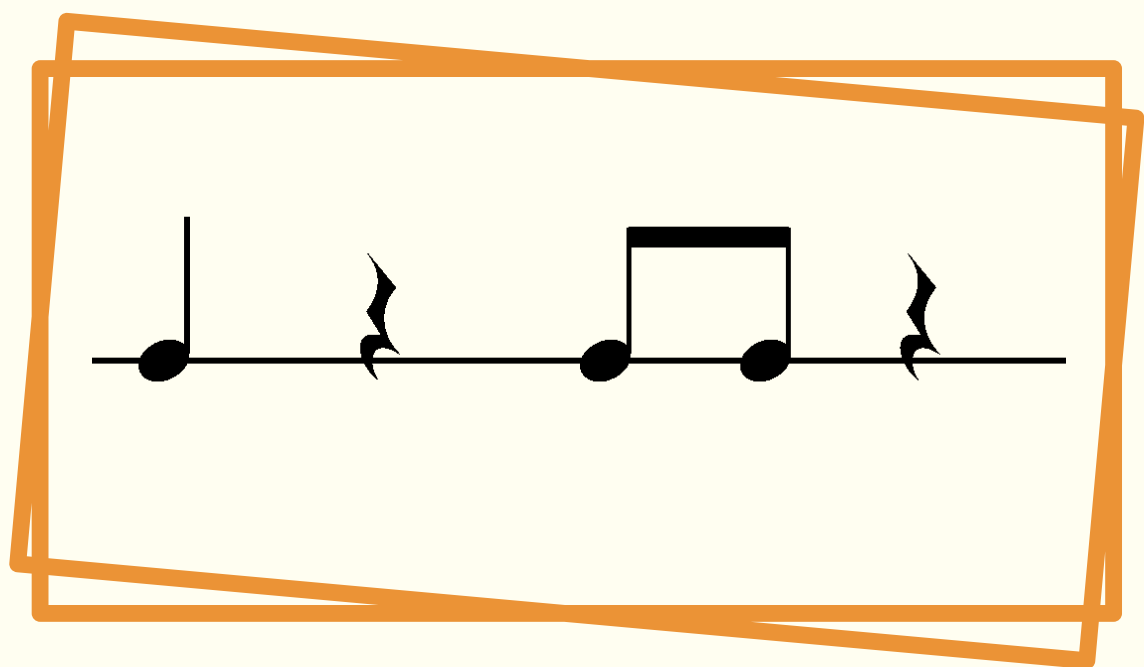

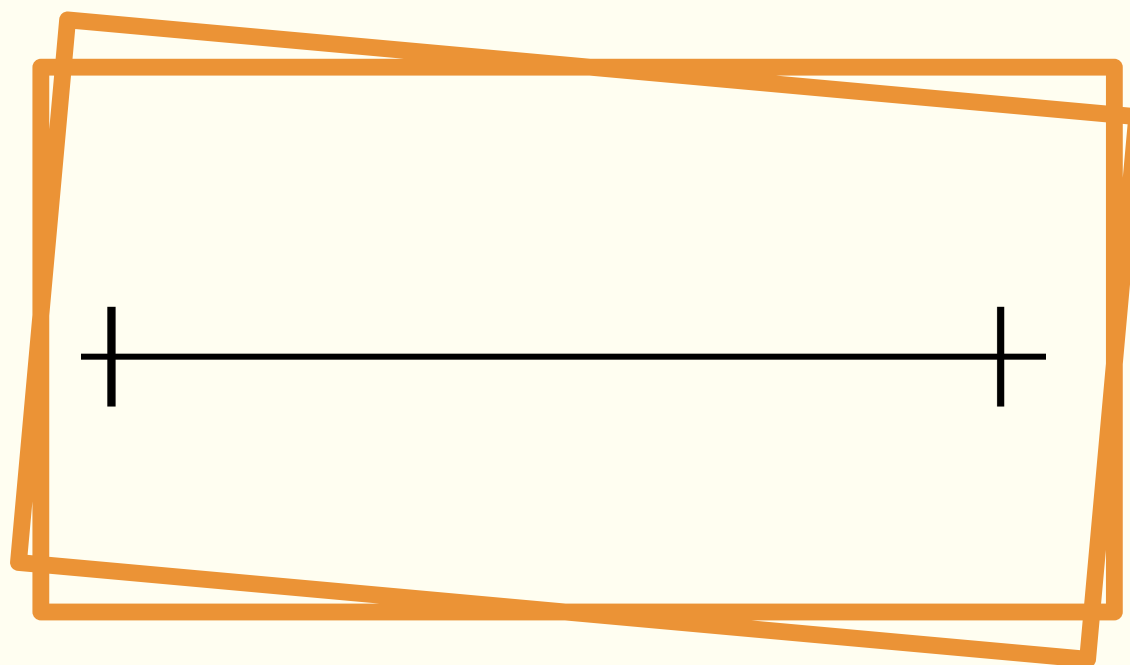

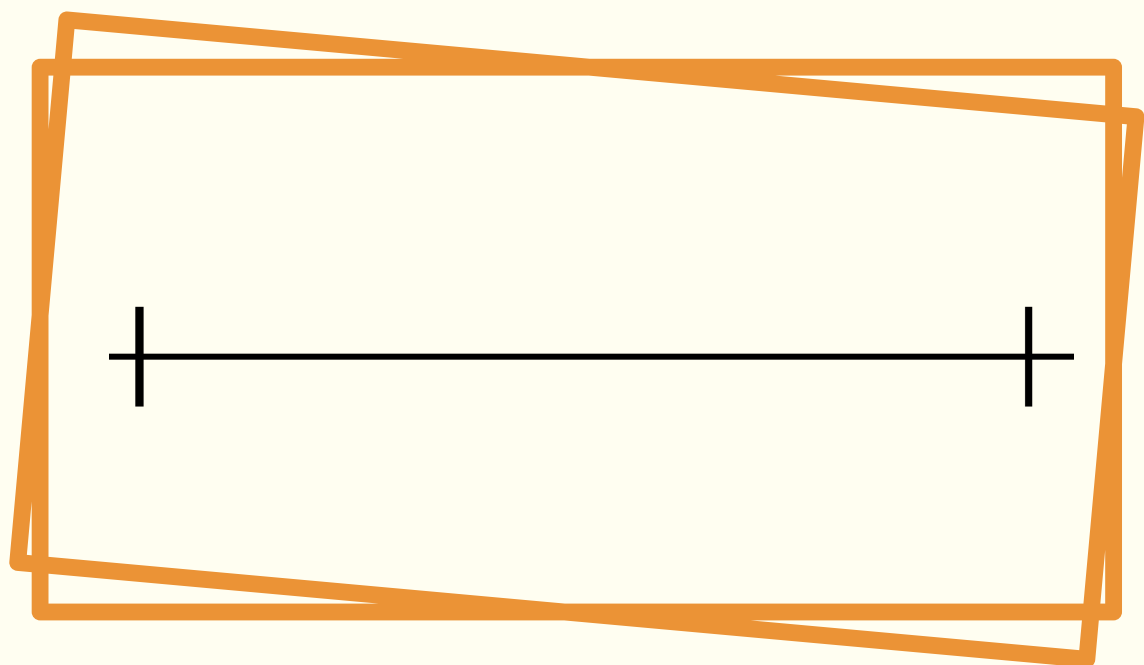

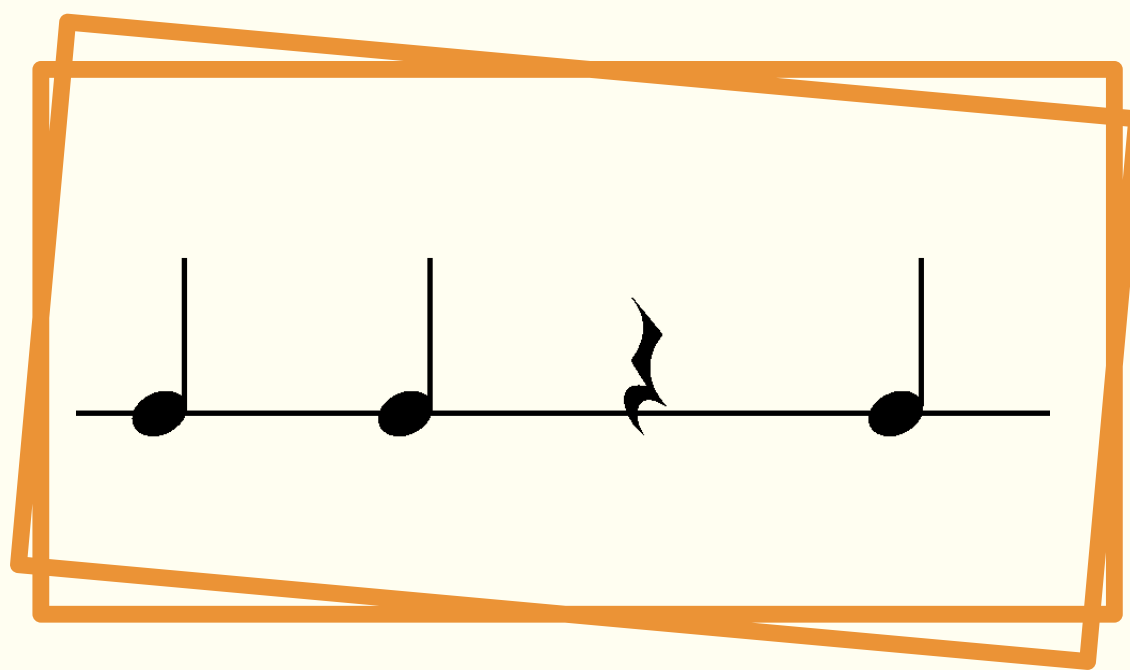

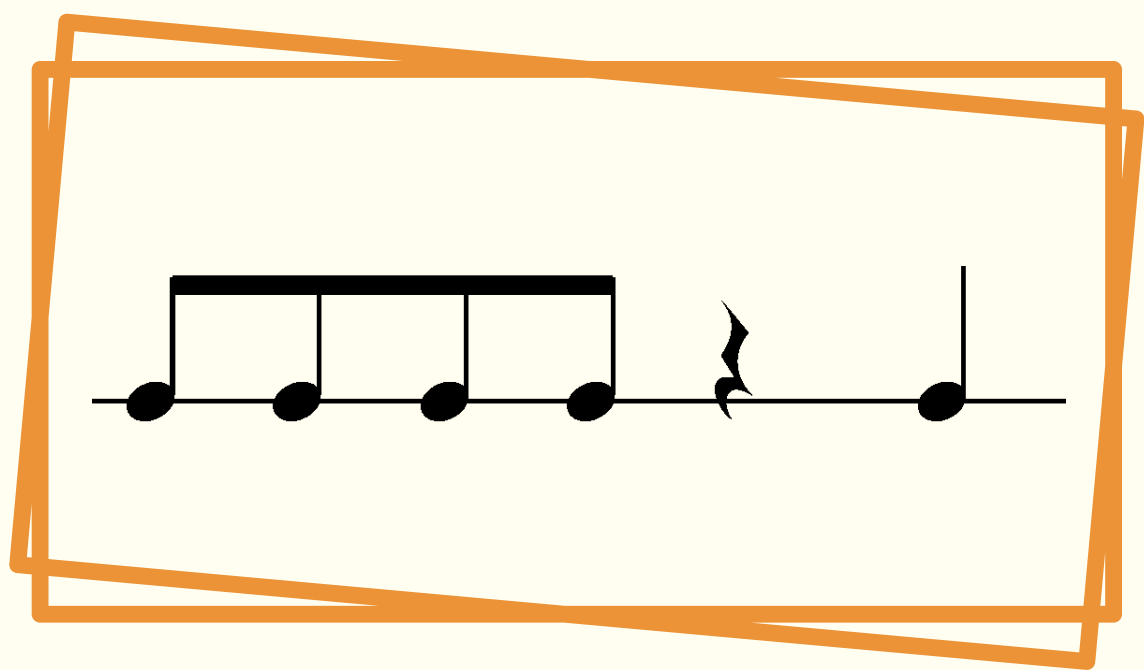

Anne
