	TIME	WHO?	WHAT?	WHERE?
	on a cold, creepy night	a spooky ghost	lost in the middle of nowhere	a haunted house 
	at exact midnight 	a mean black cat	a witch has put a spell on you	a foggy forest 
	during a rainstorm	a terrifying skeleton	a zombie is chasing you	a dark cemetery
	on the night of a full moon 	a three-eyed monster	is chased after by enormous bats	in a cold, empty room
	on Halloween night	a lonely vampire	something or someone is missing	in an old school
